ABOUT US

Gujarat Logistics founded in 2006 by Mr. Deepak Thacker and late Mr. Rameshbhai Madhvi in a small port city of Gandhidham located near Kandla port. The journey was started with a single truck in a small, rented office with a shared vision of two entrepreneurs that was far ahead of its time.

From this humble beginning, Gujarat Logistics gradually expanded its fleet size over the year with youngest fleet of 300 + environment-friendly heavy commercial vehicles. GL's fleet strength is continuously expanding year over the year to meet huge recurring demand from its growing customer base which are being acquired and retained for years by providing the highest level of service standards and with our customer-centric approach for bonding a long lasting relationships based on the pillars of transparency and trust.

Today, GL has grown into a most reputed FTL transportation company operating in breakbulk; bulk and EXIM logistics segment and its operation being professionally managed by pool of talented teams consisting of mix of youth, and experience human resources driven by core values; who strive to achieve the highest levels of customer satisfaction while continually improving process and systems.

At GL, We are committed to assisting corporate India to realize their logistics needs at an optimum cost, enabling them to gain a competitive advantage by better logistics support throughout the value chain because we believe that in today's business scenario it is your effective supply chain that will provide you the competitive advantage in the marketplace more than your product.

OUR VISION – MISSION

Our Vision

To be an undisputed national leader, providing uncompromising total logistic solutions to our esteemed clients.

Our Mission

To achieve our vision, we are committed to consistently deliver extraordinary value to our customers and stakeholders through the building of passionate, empowered and high-performance teams.

ORGANIZATION STRUCTURE

A well-defined organizational structure is essential to ensure that all aspects of a trucking business run smoothly and that the company achieves its goals.

Our organization structure is designed to promote effective communication and efficient decision-making, while also giving employees the support and guidance they need to do their jobs well. It is a major strength of our company and allows us to provide a high level of service to our customers.

WHY CHOOSE US

We always act as a responsible business partner, not just a vendor.

We are in the business of moving time-sensitive import, export and domestic shipments. Our principles and our business practices guide us in delivering innovative, unparalleled and reliable logistics services consistently to our customers. We work closely with our clients to design, build and sustain a profitable, secure and transparent supply chain management for them. You can be assured that Gujarat Logistics provides not just a relentless logistics service, but also a business partnership that ensures total security, statutory compliance and adheres to the highest standards of business ethics.

Technology

We view technology as a great enabler that makes physical security, legal compliances and business process a lot more reliable, convenient, and consistent. As we continue to invest and adopt newer and relevant technologies, you are assured of staying in control of your business and staying ahead in the market

GPS-ENABLED VEHICLES

Unmatched service efficiency and enhanced cargo security using advanced telematics devices.

REALTIME ETA TRACKING LINK

GPS links on demand - improved transparency with real-time visibility of consignments in transit.

E-INVOICING COMPLIANT

Seamless ITC with E-invoicing under FCM and improved account reconciliation.

BSES COMPLIANT VEHICLES

Reduced carbon footprint with the youngest fleet of BS4/BS6 eco-friendly vehicles.

DIGITALISED MIS

Digitalized reporting system for error-free documentation and accurate communications.

24/7 CUSTOMER SUPPORT

Dedicated customer services team and tech-enabled fleet control room.
